Process Simplified, New service launched!
Online Travel Web Portal

visitsrilanka.gov.lk

We are pleased to inform the launch of the online travel web portal, **visitsrilanka.gov.lk**.

Travelers can now pay for their PCR tests and Travel Insurance directly through this portal (instead of paying to the hotel or travel agent) and receive their unique Tourism Reference Number required to apply for visa on **eta.gov.lk**.

Travelers are required to include this reference number in the visa form under the section '**contact details**' under '**address in Sri Lanka**'. In this space indicate:

- Safe & Secure Hotel address and
- Tourism Reference Number issued

Department of Immigrations and Emigrations, Sri Lanka will check for this information in granting tourist visa.

Sri Lanka Tourism is currently working with Department of Immigrations and Emigrations to integrate the two systems to further improve the visa process. Bear with us as we continue to improve our systems to give you a faster and convenient service.

See you soon in Sri Lanka!
